

S-6280A

Single Needle Direct Drive Straight Lock Stitcher
with Thread Trimmer and Presser Foot Lifter

With direct drive motor and electric presser foot lifter,
this machine offers user-friendly operation and high-speed sewing.

- Comfortable and High-speed Sewing
- LED Light Equipped as Standard
- User-friendly Operation Panel
- Electric Presser Foot Lifter
- High Operability with 2 Hand Switches

Basic & Convenience

Simple and easy-to-use standard lock stitch machine that allows you to concentrate on the sewing.

1 LED Light Equipped as Standard

Handy LED lights are equipped at the both side of the needle as a standard for better operation, and it prevents shadows on the garment.

2 User-friendly Operation Panel

Easy-to-understand key layout and display.

3 Electric Presser Foot Lifter

It increases productivity and it reduces the sound compared with mechanical pressure.

4 High Operability with 2 Hand Switches

You can assign the function to each switch with various combinations, and it enables your operator to use the machine efficiently.

Specifications/

S-6280A-81

Application
3 Medium materials
5 Heavy materials

S-6280A	-813	-815
Max. sewing speed	5,000sti/min	4,000sti/min
Max. stitch length	5mm	
Thread trimmer type	Single action thread trimming mechanism(Ordinary type)	
Thread presser	Standard equipment	
Hand Switch	Standard equipment	
LED light	Standard equipment	
Electric presser foot lifter	Standard equipment
