

## Automatic Thread Trimmer

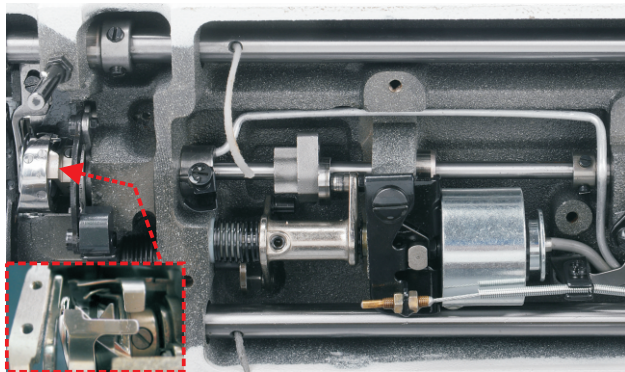

A2

German design,unique vision

**1 Automatic thread trimmer ,achieve high efficiency**  
Automatic thread trimmer ,reduce cost and increase work efficiency.

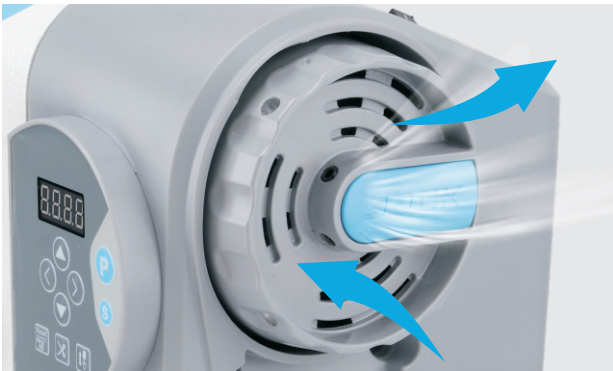

**2 Smart panel,easy to use**  
Easy to operate, easy to reset

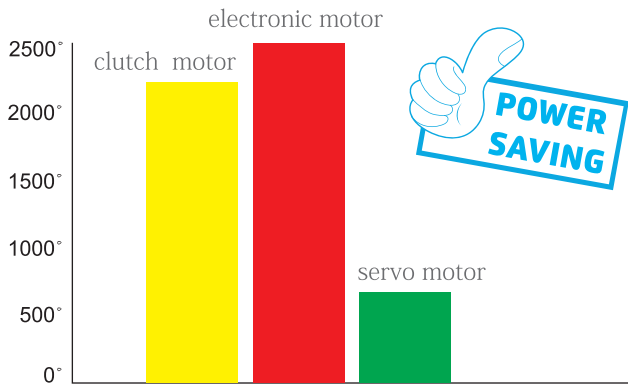

**3 LED light**  
Equipped with 3 level shining LED light, offer omnibearing brightness, make it more convenient for threading and reduce visual fatigue.

**4 For light and heavy fabric**  
Enlarge the sewing range, suitable for various of fabrics like yarn and jeans.

**5 Humanized hand wheel design with large air flow**  
The hand wheel is designed with fingerprint and big fan,which makes the motor cooling effect better and the machine easy to operate. heat dissipation is much better.

**6 71% Power saving**  
Maximum 71% power saving. Compare with basic overlock machine, every year it saves 446 KW/H. If per KW/H cost 1 RMB, totally it saves 459 RMB per year.
