

ME457 - Mechanical Sewing Machine

With a heavy duty metal frame, and strong motor, the SINGER® | ME457 - Mechanical Sewing Machine combines ease-of-use features with enhanced speed and piercing power. The 32 built-in stitches offer 110 stitch applications for creativity and customization. Sew a wide range of fabrics from lightweight sheer to multiple layers of denim. This along with the machine's carefully engineered, stylish design and elegant premium accents, makes it simply impressive.

FEATURES & BENEFITS

110 STITCH APPLICATIONS

Wide range of sewing techniques for creativity and customization.

ENHANCED SPEED & PIERCING POWER

Power to sew thick fabric layers, as well as professional speed for faster results.

HEAVY DUTY METAL FRAME

Full interior metal frame provides long lasting durability.

QUICK AND EASY THREADING

Easy-to-follow threading guides.

ADJUSTABLE STITCH LENGTH & WIDTH

Customize stitches for creative techniques.

AUTOMATIC 1-STEP BUTTONHOLE

Consistent results every time.

NEEDLE THREADER

Effortless threading of the needle for a faster start.

TOP DROP-IN BOBBIN

Easily insert the bobbin and monitor bobbin thread supply.

DROP FEED

For free-motion quilting and monograms, button sewing and more.

3 NEEDLE POSITIONS

Adjust needle position for techniques like zipper insertion, topstitching and more.

ADJUSTABLE PRESSER FOOT PRESSURE

Adjust machine feed for very heavy or very fine fabrics.

LED LIGHTING

Clear view of the sewing area while reducing shadows.

FREE ARM

Sew hems and cuffs with ease.

THREAD KNIFE

Cut thread with integrated cutter on the head of the machine.
